Avishkar Research Competition Report 2023-24

It gives me great pleasure to present the Annual Report of the Academic and Research Coordination Scheme. On 27th September 2023, 17 teams (34 students) our college participated in the Avishkar College Level Research Project Competition organized by the College Academic and Research Coordination Committee.

Objectives of Avishkar Research Competition

- To inculcate research culture among students.
- To encourage original and novel thinking.
- To provide an opportunity for expression of academic talent.

Information about Avishkar Activity

An invention research competition was organized in the college to promote research and innovation among students. A research workshop was held on 25th September 2023 to guide and inspire our teachers and students about the invention competition. In this research workshop, Principal Dr. R.N. Bhavre and Prof. P.S. Kudnar guided. In this guidance, the preparation of research project, research methodology, hypothesis, potential areas of research and research project presentation were guided through lectures. On 29 September 2023, the Invention College Level Research Project Competition organized by the College Academic and Research Coordinating Committee was inaugurated by Mr. Rakesh, President of the College Development Committee. Thorat did. Under the guidance of various professors of the college, students presented their research topics through posters through invention competition. Project monitoring and evaluation of this invention competition was done by expert examiners Dr. S.R.Thorwat and Dr.K.R.Adhav. In this competition, A total of 17th team participated in this competition. Twelve teams were selected for the zonal competition from various groups at the divisional level from the college Avishkar research competition. On this occasion, the principal of the college, Dr. R. N. Bhavare, in his presidential speech said that such competitions are needed to awaken innovation and research attitude among the students. He also asserted that personality development and entrepreneurship will increase through such competitions. The introduction was done by Dr. P.S. Kudnar, Academic and Research Coordinator of the college. On this occasion, he explained to the audience the role of the university behind the competition and said that Avishkar competition

is an important opportunity for personality development. The result of this competition is that one team from the Department of History of the college was selected for the university level Avishkar competition in the zonal level competition held at the H.P.T college, Nashik.

Programme Outcome

- A culture of research was created among the students.
- Students understand the importance of research.
- Stimulated students' research thinking.
- Employment opportunities are available through Invention Research Project.
- Our one student select on University level Avishkar Research Competition

Field visit report

Aadhaar Ashram Nashik

"Home for Orphans and Abandoned Children"

General Secretary of Maratha Vidya Prasarak Samaj Sanstha Advocate Nitinji Thackeray, Educational Officer of the institution Nitin Jadhav, College Principal Dr. R N Bhavre and Secretary of Aadhaar Ashram Nashik with the prior permission of Aadhaar Ashram Nashik on Tuesday 31.10.2023 for a field visit to studying sociology at special level. In this day, I took the students from the college at exactly 8.00 a.m. to Vani bus station. From there we reached Nashik by 8.30 a.m. bus. The students were given very useful information about the daily activities there. According to the physical, mental and intellectual abilities of the students, their education, participation in activities, health, sports, entertainment, food, studies, education, skill development and therapeutic facilities and also information about the main activities - childcare, adoption and rehabilitation and women's shelter. At exactly 12.30 pm the field visit program was concluded. After meeting the manager there, I reached Nashik bus station. From Nashik at exactly 1.00 am I left for Vani by bus. Vani at exactly 1.45 am. From there the students were asked to go to their homes. Totally 6 students and myself were present for the trip.

Brief about Aadhaar Ashram –

Aadhaarashram – Temple of Humanity

Annashastri Datar of Aadhaarashram did it on 4th April 1954 on the auspicious occasion of Gudhipadva. He got the support of like-minded friends for this work. The name of the ashram was first named as "Anath Mahilashram" and later it was renamed as "Aadhaarashram". Now Aadhaarashram is known as an organization for the care, education and rehabilitation of orphan, abandoned and destitute children. Famous Marathi poet and writer Kusumagraj saw this. He described Aadhaarashram as a "Temple of Hum Main Activities – Child Care, Adoption and Rehabilitation.

Children's Home - Maharashtra Government has recognized Aadhaarashram as a "Children's Home" to provide protection, care, medical treatment and social rehabilitation to the needy children. Boys up to Year 6 and Girls up to Year 12 are admitted to the institution and currently there are 105 children in the institution.

Special Adoption Institution – Aadhaarashram admits orphans and destitute children up to the age of 12 years. They are provided with all basic health, educational and recreational

facilities and emotional support. Specially trained nurses, care workers and other support staff are appointed for the care and health protection of these children.

Adoption Statement – Till date almost 900+ children have found their adoptive parents through Aadharashram. Also, under the guidance of Central Adoption Resource Authority (CARA) since 2011, children with congenital disabilities are also adopted to foreign families and till date 26 such children have been rehabilitated in foreign families.

Rehabilitation – Lost and abandoned children at Yatra, Railway Station, Bus Station etc. are admitted to Aadhaar Ashram by various government agencies. Aadhaar Ashram takes care of the parents of such children and hands them over to their parents.

Support activities – Education, skill development and therapeutic facilities are provided to children. Along with the school education of the children, music, painting, handicrafts and dance classes are taken for them. This can help them to develop their inherent qualities by identifying them. With the generous support of Amvey opportunities foundation, there is a Physiotherapy center for physically challenged children in the Aadharashram, where such children are regularly treated by Dr. Shripad Gholap. Due to this, there is significant improvement in the health and progress of children. Apart from this, there are psychological counseling and music therapy centers in the Aadhaar Ashram. These activities have shown a positive effect in the behavior of children. Various educational, entertainment films and documentaries are screened in the Audio Visual Centre.

Hostel for Employed Women – A women's hostel was constructed in the premises of the Ashram in recognition of the need of the hour for many women who come alone from the village for employment in Nashik. This hostel has accommodation for 80 women. Aadhaarashram is the only institution in Nashik that provides such facility of accommodation at very reasonable rates.

Future Projects: Old Age Homes – We are all sensitive to the condition of the destitute elderly and co-housing for such elderly is the need of the hour. Therefore, the idea is to start "Anandashram" as soon as possible for such grandparents and children of the Ashram.

Outcome of field visit –

1. The college students will provide education, skill development and remedial facilities to such underprivileged disabled needy children in future.

2. Social awareness will be created among the college students.
3. Donate to Aadharashrama as a social responsibility.
4. They intend to start Aadhaar Ashram in the future for disabled and destitute children.
5. Will consider starting Aadhaar Ashram and Vriddhashram for women, elderly.
