Workshop on

Research Methodology for Writing Research Article 2023-2024

Title of Workshop: Research Methodology for Writing Research Article

Date: 27th January 2024

Objectives: Research Methodology for Writing Research Article

- 1) To study research methods of writing research articles
- 2) To study referential methods of writing research articles
- 3) To Study the use of primary and secondary sources for writing research articles
- 4) To treat the topic chosen for writing a research article

Workshop Information

Karmaveer magazine is published in the college every year. The college students publish their research articles on various topics in the magazine. History Department organized a workshop on 27th January 2024 for the students on how to write research articles for the Karmaveer magazine published in the college during the academic year 2023-24. In the said workshop, Dr. Y. M. Salunke, Head of Department, told the purpose of the workshop about research methods for writing research articles. In this workshop, the students were informed about the difficulties faced while writing a research article in Karmaveer magazine and how to choose the topic of the research article.

In this workshop Dr.K.R.Adhav, Resource Person and Coordinator of Karmaveer Magazine, gave in-depth guidance on what research methods should be studied for writing research articles, how to use primary and secondary sources, importance of magazine. Dr. S.D.Fugat, the second resource person in this workshop, gave detailed guidance on how to choose a research article topic in a journal, how to use interviews, reference books, newspaper articles while writing a research article, how to present the findings of a research article. The workshop on how to write a research article was conducted under the guidance of Hon'ble Principal Dr.R.N Bhavare. 23 students were present in this workshop.

Workshop outcomes

- The research method of writing a research article was known.
- Learned how to study referential methods of writing research articles.
- Learned the use of primary and secondary sources for writing research articles.
- Got deep knowledge about how to write a research paper on the chosen topic for writing a research article.
